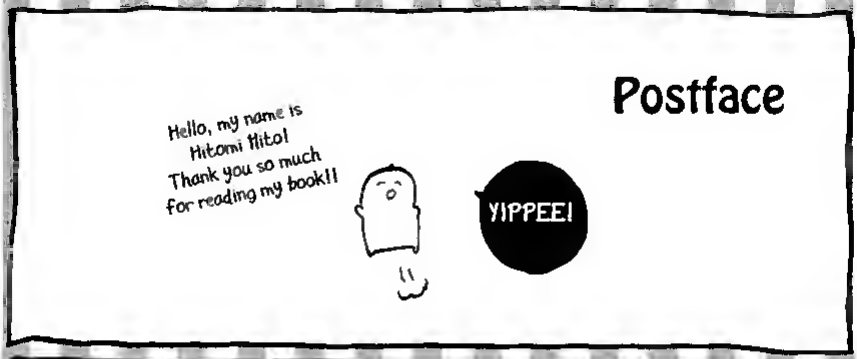
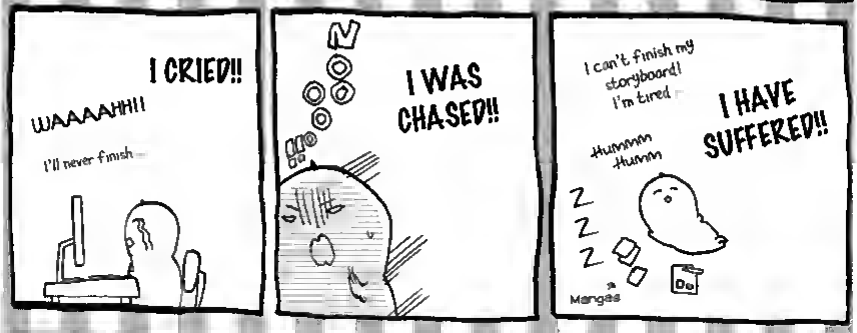
I don't even have the strength to think...

AND... IT'S VALID UNTIL WHEN?
AS LONG...
AS YOU WISH, SENSEI.

Postface





It's pretty much in that spirit that the creation of this manga took place. I know that I am still inexperienced, but I gathered in this book stories that I like very much.

What worries me lately, is that the characters in the mangas I draw, are often loved by perverts.

↑
Especially the uke!

What should I do ?!
Ahh, don't look at me like that...

LOVE CODE

I read blogs about programmer's jobs and I had a lot of fun drawing this story! I remember telling my manager that it must be difficult, love stories between scientists.

DON'T TELL ANYONE

Blackmail by mobile phone. I really wanted to draw a clumsy and desperate love story and this is what I got. This is the story that I've been thinking the most about.

I had already drawn Kenji-kun in another story (not BL), and since then, I had always wanted to change his orientation. I drew this story to answer my own request.

THE PATH TOWARDS LOVE

REMINDER!!

Thank you all for reading so far!
What happiness! I love you!
Special Thanks
My manager O-sama!
Hachin! Ayumin!
Tano-san! Chibuhaba! My family!
and YOU

TEARS IN ANIMAL'S EYES

I love, I love, I love the Yankee uke! I was dying to draw the struggling Naru-chan under Toraji, but since I suck at drawing action scenes, it took me hours to draw even one.

KISS TO THE BEAST

The more I drew, and the more Naru-chan melted for Toraji, I had decided that Naru-chan's mother would be a beauty. Since she gets along so well with Toraji, she is well aware of their relationship.

The End

Hey guys that's the end of this manga. I hope you enjoyed the stories. There's a Vol.2 that I might work on but I have to order it and read it first. If you liked **Naru-chan and Toraji,** from the first 3 chapters you're in luck! I found another chapter about them in sensei's other manga called **"HATSUKOI NO KANATA",** it's chapter 4 in that manga. I'll be translating that as well so look for it in a separate release!
